Vac-U-Lock
mounting toggle

Safety and Legal Information

Read all instructions before use. Use only as directed. This device contains moving parts and electrical components—improper use may result in injury. **Electrical Safety:** Do not use near water or while bathing. Never submerge the device. Unplug the unit when not in use or before cleaning. Use only the supplied power source. Avoid contact with moisture near any power connections.

Operational Safety: Keep hands, hair, clothing, and body parts away from moving components during use. Ensure device is securely mounted before operation. Do not use while asleep or under the influence of drugs or alcohol. Do not leave the device unattended while powered on.

Audience & Age Restriction: This product is intended for adult use only (18+). Keep out of reach of children and pets.

Hygiene: Clean all contact surfaces before and after each use using a non-abrasive, toy-safe cleaner. Do not share attachments without proper sanitation. **Medical Disclaimer:** This device is not a medical product and should not be used to diagnose, treat, or cure any condition. Consult your physician before use if you are pregnant, have a pacemaker, neurological condition, or any medical concerns.

Modification Warning: Do not open, alter, or modify the product in any way. Doing so may void your warranty and increase risk of harm.

Liability: By using this device, you acknowledge and accept all associated risks. MB Technologies LLC is not responsible for injury, damage, or loss caused by misuse, unauthorized modification, or improper installation.
